

INTRODUCTION

Benton Community Foundation (BCF) is committed to honoring the intent of our scholarship fund donors. Most donors intend that a scholarship award (or awards) will be made annually from their fund. In keeping with the intent of our scholarship fund donors, BCF generally requires that all scholarship be paid to the student's account in the year of award.

POLICY

BCF recognizes that there may be exigent circumstances, such as personal health issues, military deployment or a family medical emergency, when a request for deferral of a scholarship award is appropriate. A student may apply for a deferral of their scholarship award by following the procedure outlined below.

Scholarship Deferment Requests ***will not be granted if:***

- The student is eligible to reapply for the scholarship at such time as the student is ready for enrollment;
- The award is made from a fund where the agreement expressly prohibits deferment;
- The basis for the Scholarship Deferment Request will continue longer than one year;
- The basis for the Scholarship Deferment Request is for the student to take a "gap year."
